Dear Sir/Madam

RE: JOB APPLICATION

I am an undergraduate with a Bachelor of Science Degree in Mathematics and Computer Science (Applied Mathematics) from Meru University of Science and Technology. I wish to apply for a job at your organization.

My analytic time-management and communication skills are excellent allowing me to manage numerous duties. Moreover, I have proven a strong commitment to high ethical and professional standards that would allow me to make a significant contribution to the organization.

I am enriched with skills in front-end development with HTML5 & CSS, PHP, and JavaScript, data cleaning with jupyter notebook, data entry in excel, and mathematical modeling. Additionally, I can work well under a team with minimal supervision and at the same time willing to learn more skills.

With my experience in skillfully performing a full range of operations, combined with my interpersonal and organizational skills, I am ready to provide outstanding services within your company. I look forward to discussing the position with you in further detail. I will deliver consistently given the chance.

I am looking forward to receiving your positive response through my contact: 0718883983 or Email: chombaalex2019@gmail.com. Thank you in advance.

Yours sincerely,
